GROUP 1300**Supplement to Rule 312 Amendment After Notice Of Allowance**

Sir:

Supplemental to the Rule 312 Amendment transmitted to the PTO by facsimile on 6/6/97 in response to the Notice of Allowance mailed 3/24/97, please consider the following remarks.

REMARKS**Corrections to Figure 11**

The Rule 312 Amendment transmitted by facsimile on 6/6/97 included a request for the Examiner to approve corrections to the reference numerals in Figure 12. The undersigned now has discovered an additional drawing error. The section line 12-12 in Figure 11 points downward rather than upward, which would make Figure 12 a left-to-right mirror image of Figure 11. The proposed drawing corrections transmitted by the undersigned on 6/6/97 failed to take into account this left-to-right reversal.

Two alternative corrections are possible to make Figure 12 consistent with the section line 12-12 in Figure 11. One alternative would be to interchange the reference numerals 242 and 250 in Figure 12. A second, preferred alternative would be to change the arrow in the section line 12-12 in Figure 11 to point upward instead of downward, thereby eliminating the left-to-right reversal between
